Three words that define a good leader:
Honesty, fairness, ethical

What is the most rewarding moment of your career
to date?

Successfully starting up my own executive search firm
six-and-half years ago.

And the most challenging moment of your career?

Being in charge of opening up a pioneer addictions
treatment center in Spain, from zero.

Name one woman who inspires you and why?

Ellen Degeneres - Brave, honest, talented, and one of a
kind role model for many.

Why did you decide to attend #WFMX17?

I was invited as a guest panelist and member of the
Mexican Delegation of the Women's Forum Global
Meeting in France in 2014, went to Women's Forum
Dubai in 2016, and I have been a member of the
Advisory Board for Women's Forum Mexico since
2016.

If you attended Women's Forum Mexico 2016,
how did it impact you? Strong network, wonderful
friends. I have learned a great deal from all of them.

What do you expect from Women's Forum Mexico
2017? I sincerely hope that a lot of top level decision
makers attend (women and men) to learn and
implement best practices in their companies.

What kind of leaders -or who- are you looking
forward to meeting at #WFMX17? People who have
contributed to fostering diversity and empowering
women within their sectors.

A book or a film on leadership that you would like
to recommend to your fellow delegates?
Lean In by Sheryl Sandberg.

What else do you want delegates to know about
you? Our firm, HeadSeekers, is committed to
uncovering "hidden" female talent, sorely needed in
top executive positions within companies.
