Three words that define a good leader:
Courage, compassion, commitment

What is the most rewarding moment of your
career to date?
Helping a close friend die with dignity

And the most challenging moment of your career?
Discovering and then telling a close friend he had
pancreatic cancer

Name one woman who inspires you and why?
Indra Nooyi - she continues to think and work to
improve women's lives while running a Fortune
100 company.

Why did you decide to attend #WFMX17?
I want to share that heart disease is the #1 cause
of death for women worldwide, and women's .

Did you attend Women's Forum Mexico in 2016?
How did it impact you?
n/a

What kind of leaders -or who- are you looking
forward to meeting at #WFMX17? I want to reach
as big an audience as possible, to get women to
pay attention to their hearts. I need to reach
powerful leaders to help spread this message.
Maria Teresa Arnal and Lorena Ochoa.

A book or a film on leadership that you would like
to recommend to your fellow delegates?
How to Win Friends and Influence People -Dale
Carnegie

What else do you want delegates to know about
you? I want to increase bystander response to
victims of sudden cardiac arrest. I want to do
nothing short of changing the social norm. I want
everyone to know how to save the life of someone
who experiences a cardiac arrest. I want to
empower people to act. I want everyone to know
how to save a life with HandsOnly CPR. It is so
simple. Mouth-to-mouth is no longer required.
