Three words that define a good leader:
Vision, Confidence, Respect for others.

What is the most rewarding moment of your
career to date?

Definitely succeeding in becoming a Foreign
Service Officer. Diplomacy is a male-dominated
field.

And the most challenging moment of your career?
Walking into meetings where I am the only woman
but the most powerful person in the room.

Name one woman who inspires you and why?

Madeleine Albright. She was the first woman to
become U.S. Secretary of State, one of the most
challenging and difficult roles in the U.S.
Government. She made advances in regions are
that completely male-dominated and ignored.

Why did you decide to attend #WFMX17?

To meet U.S. women-owned companies who want
to export so I can describe the various programs
we have in place to assist them.

What do you expect from Women's Forum Mexico
2017?

Networking and learning
