Three words that define a good leader:  
Emphatic, Good Listener, Bright

What is the most rewarding moment of your career to date?

Honestly? Knowing my father, very successful business man, was proud of me also as a professional.

And the most challenging moment of your career?

When I had my son and I was completely sleep deprived. In retrospect, I was operating at half of my ability out of pure tiredness.

Name one woman who inspires you and why?

Ariana Huffington - creative, ambitious, daring, but also honest about her struggles.

Why did you decide to attend #WFMX17?

Alejandro Cardoso mentioned it to me.

If you attended Women's Forum Mexico 2016, how did it impact you??

I did not attend.

What do you expect from Women's Forum Mexico 2017?

Inspiration and women being kind and not judgmental to other women.

What kind of leaders -or who- are you looking forward to meeting at #WFMX17?

Leaders with qualities that are different than only financial success - leaders with purpose, inspiring, and honest/ vulnerable people.

A book or a film on leadership that you would like to recommend to your fellow delegates?

Thrive by Ariana Huffington

What else do you want delegates to know about you?

Working in a male dominated industry and country, I take my energy from the positive business impact i can deliver with my brands and on the society. Driving knowledge about importance of inclusion for the society makes my eyes twinkle.
