Three words that define a good leader:  
Resilience, Teamwork, Trailblazer

What is the most rewarding moment of your career to date?  
Running my own business and realizing I can actually "have it all" - personal and professional satisfaction.

And the most challenging moment of your career?  
Deciding to leave the corporate world...would I be capable to "make it on my own?"

Name one woman who inspires you and why?  
Malala is the clear example of a woman who is willing to go above and beyond to empower others.

Why did you decide to attend #WFMX17?  
I am passionate about women advancement in the workplace and in society. I look forward to the great conversations with stakeholders that will then turn into actions.

If you attended Women's Forum Mexico 2016, how did it impact you??  
It opened endless conversations about how to keep advancing women in the workplace and in society.

What kind of leaders -or who- are you looking forward to meeting at #WFMX17?  
Leaders committed to gender diversity, inclusion, and women empowerment in the workplace and society. Those who will walk the talk.

A book or a film on leadership that you would like to recommend to your fellow delegates?  
"The One Thing" [www.the1thing.com](http://www.the1thing.com)

What else do you want delegates to know about you?  
My passion is empowering women. I do so through my platform [www.girlpower.mx](http://www.girlpower.mx)
