Three words that define a good leader:  
Charisma, collaboration, passion.

What is the most rewarding moment of your career to date?

The day I found the strength to build my own project instead of working for someone else.

And the most challenging moment of your career?  
Same as above.

Name one woman who inspires you and why?  
Somy Ali, a Bollywood superstar who gave up everything to dedicate her life to help victims of domestic abuse and human trafficking.

Why did you decide to attend #WFMX17?  
I decided to attend Women's Forum Mexico because there is nothing more interesting that to learn about the journey of the women that are striving to build a better world.

Did you attend Women's Forum Mexico in 2016? How did it impact you?  
I met the most amazing women and reconnected with México.

What do you expect from Women's Forum Mexico 2017?

To find an initiative that I can collaborate with so that we can make the voices of women heard.

What kind of leaders -or who- are you looking forward to meeting at #WFMX17?  
Leaders from the creative field.

A book or a film on leadership that you would like to recommend to your fellow delegates?  
[On Being Podcast](#) by Krista Tippett

What else do you want delegates to know about you?  
My journey began the day I got involved for the first time with the Women's Forum, and I wish theirs will be strongly impacted by it as well.
