Three words that define a good leader:  
Empathy, resilience and strength.

Name one woman who inspires you and why?  
I have always been inspired by history, and the many women in different fields who achieved so much behind the scenes. In leaders, Queen Elizabeth I has been an inspiration and an example of resilience, strength and fair but firm leadership.

Why did you decided to attend #WFMX17?  
I attended the 2016 WFMX and after meeting so many extraordinary women, I couldn't miss the 2.0.

If you attended Women's Forum Mexico in 2016, how did it impact you?  
Seeing the overwhelming talent that Mexico has in its women.

What do you expect from Women's Forum Mexico 2017?

Expand my knowledge of initiatives driven by women, and meet new inspirations & friends.

What kind of leaders -or who- are you looking forward to meeting at #WFMX17?

Holly Andersen and Melanne Verveer.

A book or a film on leadership that you would like to recommend to your fellow delegates?

[The Medici Effect](#) by Frans Johansson.

What else do you want delegates to know about you?

Never regret a decision. Don't let money drive your decision-making process. Do what you love, and spend time with whom you love. In the end, people will remember you through feelings, not numbers.
