Three words that define a good leader:
Authentic. Visionary. Transformational

What is the most rewarding moment of your career to date?

Leaving my EVP role to dedicate myself to my non-for-profit organization for the advancement of women full time.

And the most challenging moment of your career?
When I moved from a sales management role to a general management role.

Name one woman who inspires you and why?
Sheryl Sandberg for succeeding in a man's world and leading the way for other women. Her book *Lean In* has inspired an entire generation of ambitious women.

Why did you decide to attend #WFMX17?

I loved my Deauville experience and very much looking forward to repeating it in Mexico with JC Agid, Nathalie Baaklini, and the rest of the team.

What do you expect from Women's Forum Mexico 2017? Inspiring and being inspired. Learning. Exchanging. Questioning and coming up with solutions.

What kind of leaders -or who- are you looking forward to meeting at #WFMX17? Major figures from all walks of life but primarily from the corporate and political world.

What else do you want delegates to know about you? <http://www.womeningovernance.org/>
Many of my publications are online: I wouldn't know where to start or what would be of most interest.
