Three words that define a good leader:
Ethics, team mate, get the things done

What is the most rewarding moment of your career to date?

When people tell me that my words or pieces make them think or move them emotionally.

And the most challenging moment of your career?

Each time I had to lead the launch of a new project: InStyle México, The Huffington Post México and the relaunch Quién magazine.

Name one woman who inspires you and why?

My niece. She is fierce and fun. She has a high self-esteem. She is only 10. She inspires me because she represents the future.

Why did you decide to attend #WFMX17?

It is always exciting to learn something new. And it is fun.

If you attended Women's Forum Mexico 2016, how did it impact you?

It reminded me that I love learning from people who have gone far with just a few opportunities in life.

What do you expect from Women's Forum Mexico 2017?

To keep learning

What kind of leaders -or who- are you looking forward to meeting at #WFMX17?

Women who connect with themselves and not with what the society wants from them.

A book or a film on leadership that you would like to recommend to your fellow delegates?

[The Confidence Code: The Science and Art of Self-Assurance—What Women Should Know](#), by Katty Kay and Claire Shipman.

What else do you want delegates to know about you?
