Three words that define a good leader:  
Authentic, human, inspiring

What is the most rewarding moment of your career to date? To lead the opening of the largest luxury retail department store in Latin America : El Palacio de los Palacios (El Palacio de Hierro - Mexico city, Polanco)

And the most challenging moment of your career?  
A retail alignment & performance project I led for Louis Vuitton Latin America & South Africa in partnership with McKinsey consulting- Embracing cultures, adapting and inspiring 17 teams in over eight countries in two contrasting continents.

Name one woman who inspires you and why?  
**Annie Leibovitz** - for the power and depth of her visual messages.

Why did you decide to attend #WFMX17?  
It's a perfect opportunity to join together as a community for the purpose of learning, sharing and tackling some of the issues that touch & affect our lives. Pure inspiration!

If you attended Women's Forum Mexico 2016, how did it impact you? It was a wonderful experience filled with illuminating moments and encounters that have marked and inspired me to take on a new personal venture.

What do you expect from Women's Forum Mexico 2017? Inspiration, drive and community building for lasting purposeful collaborations (Mexico/Latin America/Canada)

What kind of leaders -or who- are you looking forward to meeting at #WFMX17? All great leaders have the power to inject a passion and purpose into their projects. I want to meet the crazy ones! The ones reinventing and shaping the future.

A book or a film on leadership that you would like to recommend to your fellow delegates?  
[Abundance: The Future is better than you think](#) by Peter H. Diamandis & Steven Kotler

What else do you want delegates to know about you? I am passionate about inventing & creating tomorrow's world with others.
